

Press Release

ICO “Infused Water Coin IWCX”

Pitch!

We have three different formulas created to launch a new kind of healthy and 100% natural Soft Drink Family. We will sell bottled Infused Waters and parallel we will start selling in our shop and in Super Market Chains “Ready to Infuse” Mixtures to make own Infused Waters at Home. Infused Waters as brand will disrupt the markets and provide a new awesome 100% natural taste! With the integration of the Blockchain technology in our business model everybody can participate! Be part of our community! Join our ICO!

Why you should invest now?

- ✚ You will participate as Seed Investor!
- ✚ You invest in a unique brand!
- ✚ You invest in a worldwide growing market!
- ✚ The Coin Community will get a bonus of 10 USD Cent for each sold bottle in Ether
- ✚ For each sold Product in our shop we distribute 15% IWCX Coins from the net purchase volume straight to the buyer to generate additional worldwide distribution
- ✚ You will be able to trade the Infused Water Coins and to pay in our Shop with them

What is the new brand “Infused Waters”?

- ✚ Healthy
- ✚ No carbs
- ✚ Flavored with 100% Nature
- ✚ No sugar nor supplements
- ✚ Unique taste

The main ICO facts!

- ✚ Main Sale starts at the first of December 2018 until the 30. April 2019
- ✚ Each IWCX Token will cost one USD!
- ✚ 9 Million IWCX Coins will be offered
- ✚ The estimated Token price 2021 will be 6 USD!
- ✚ Coca-Cola sells yearly approx. 160 Billion Liter! If we would sell only 100 Million bottles we would have a pay-out of 10 Million USD each year.
- ✚ Parallel we sell own “Ready to Infuse” Mixtures to make own Infused Waters
