Your Profit!

- I fixed a very fair Price Limit – that's your opportunity to gain additional profit!
- If the Crypto market will go up, you can sell them immediately and make some profit right now!
- Once the IWCX will be listed on an Exchange you will get additional profit with regards to your cheap Buy In via the Wave DEX

INFUSED WATERS
The refreshing Drink!

<http://www.InfusedWaters.de>

Your Profit!

- You easily can use the Wave DEX to buy or sell in different currencies to swap later into IWCX Coins
- Wave DEX offer a perfect service to handle your Crypto Currencies or to buy in with Fiat money
- If we can catch additional audience we will have attractive trading opportunities
- No Coins will be burned, you can easily buy them until they are all swapped into IWCX ERC-20 Coins!

INFUSED WATERS
